COVID-19 VACCINE FOR 16+

Vaccination is the best way to reduce your risk of getting seriously unwell with COVID-19

What vaccine can I have?

The Pfizer and Moderna COVID-19 vaccines are the preferred vaccines for people aged 12 and over.

Can I consent for myself?

YES. If you're aged 16 or over you don't need your parents or caregivers consent and can book your own appointment.

Do my parents or caregivers need to come with me to my appointment?

NO. You can attend the appointment by yourself or bring someone along with you if you would like to.

Where can I get vaccinated?

Pfizer COVID-19 vaccine:

- SA Health vaccination clinics
- Selected pharmacies
- Selected GPs and Respiratory clinics

Moderna COVID-19 vaccine:

- Selected pharmacies
