Brand Solutions Australia is conducting a consumer level recall.

Reason for recall: microbial (*Aureobasidium melanogenum*) contamination

Point(s) of sale: Chemist warehouse

Country of origin: Australia

Advice:

Consumers – Return product to place of purchase for a full refund.

Retailers – Isolate the affected product and hold for return to the warehouse.

Distribution centres – Isolate the affected product for return to/by the manufacturer

Manufacturer – Isolate the affect product and destroy on site.

Consumers seeking information on the recall can be directed to the [FSANZ website](#).
