Empowering Women to have a Happy and Healthy Life

We can help women by offering an alternative for women and girls of all ages. This service belongs to the women of the Port Pirie Region and its aim is to be responsive to their collective and individual needs.

It has been our experience and the experience of other women we have talked to that...

- > Women want clear information about health care and their bodies so that they can make informed decisions.
- > Women want women providers
- > Women want to meet other women and talk about problems, share information and make decisions.

Well Women's Clinic Offers:

- > Pap Smear Screening
- > Breast Examination
- > Contraceptive Counselling
- > Menopause Counselling
- > Incontinence Counselling/Advice
- > Information re Safe Sex Practices
- > Health Information
- > General Counselling, Information and Referral
- > Osteoporosis Information
- > Pregnancy Tests
- > Pregnancy Option Counselling
- > Sexual Health Testing
