

# Frequently Asked Questions

## For GPs website

### How can I find out about changes at SA Health that may impact my management of patients in the community?

SA Health is committed to connecting with and informing GPs about strategic programs and initiatives taking place across the health system. You can connect with us by:

- > visiting the SA Health 'For GPs' webpage: [www.sahealth.sa.gov.au/ForGPs](http://www.sahealth.sa.gov.au/ForGPs)
- > [subscribing](#) to our GP emailing list to receive SA Health updates
- > inviting an SA Health representative to attend your scheduled meetings and forums.

### How can my Practice Manager keep informed about changes at SA Health?

Practice Managers are also encouraged to [subscribe to our email list](#) to receive SA Health updates.

They can also regularly check the FOR GPs webpage for SA Health information and updates

### How can I provide feedback on the 'For GPs' website?

Feedback can be emailed to [Health.GPEngagement@sa.gov.au](mailto:Health.GPEngagement@sa.gov.au).

Your feedback and suggestions will help ensure our communication is targeted, coordinated and effective.

### What information is available on the 'For GPs' website?

The '[For GPs' website](#) has been designed to provide you with coordinated and consistent information about SA Health. It includes information on strategic programs and initiatives of interest to GPs, such as the updates about new Local Health Network Boards, plans out for consultation e.g. the draft State Public Health Plan and updates to programs such as the changes made to the Immunisation Program for Meningococcal B.

The webpage also includes a link to HealthPathways and other SA Health sites, such as:

- > outpatient clinics available across the Local Health Networks
- > reporting notifiable conditions
- > A-Z of health topics and clinical resources
- > health alerts

You can also follow SA Health on [Facebook](#) and [Twitter](#).
