

Find your career with the Limestone Coast Local Health Network

Nursing and Midwifery

Are you empathetic, caring and enjoy interacting with all kinds of people? Can you work well under pressure? Are you a problem solver? If you answer yes to all of the above, then a career in nursing and/or midwifery could be for you.

Assistant in Nursing / Midwifery (AIN/M)

AINs support Enrolled and Registered Nurses and Midwives in the delivery of general client care and undertake basic nursing duties.

Qualification requirements:

- Enrolled as a student in an undergraduate program in nursing or midwifery and have completed any training required by the employer relevant to the safe and competent performance of work at this level; OR
- Employed on the basis that the person is, or will be, undertaking a course approved by the Registration Authority for the preparation of Enrolled Nurses; OR
- Hold a Certificate III or IV in either the Basic Health Care or Aged Care disciplines

Enrolled Nurse (EN)

ENs can work in various settings such as hospitals, aged care facilities and in the community. They are responsible for providing healthcare to patients, residents and/or community members under the supervision of a RN/RM.

Qualification requirements:

- Completed a Diploma or Advanced Diploma (Enrolled Nursing) through a Registered Training Organisation and hold registration with the Nursing and Midwifery Board of Australia

Registered Nurse / Midwife (RN/RM)

An RN/RM coordinates and delivers care to patients, residents and/ or community members. They can work across various settings such as hospitals, aged care facilities and in the community.

Qualification requirements:

- Completed a Bachelor of Nursing and hold registration as a Nurse, Nurse/Midwife or Midwife with the Nursing and Midwifery Board of Australia

Nursing and Midwifery provides a pathway to many exciting and rewarding career options within the healthcare industry, where you can make a positive contribution to the people you care for, and the wider community.
