Customer Service Standards

Customers can expect consistent standards of products and services delivered by the Drugs of Dependence Unit. We aim to deliver products and services both in a timely manner and to a high quality.

Products

Application Forms
- All forms are reviewed yearly regarding quality, relevance, and corporate branding compliance.
- All forms are available on the Unit’s website in PDF format.

Policy Documents
- Policy drafts are provided to relevant customers for comment.
- Policy documents in force are reviewed each year for quality, relevance, and corporate branding compliance.

Online S58 “Privileged Circular”
- The Manager, Drugs of Dependence Unit maintains the utility of the Privileged Circular by carefully considering individual patient cases that have been submitted for possible inclusion in the Circular.
- The Circular is available on the Unit’s website in a password-protected area, and updated within 2 monthly intervals.

Online S57 “Prohibition Orders List”
- The Prohibition Orders List is updated when a new Order is executed and Gazetted.
- The List is available on the Unit’s website.

Code of Practice for the Storage and Transport of Drugs of Dependence
- The Code is reviewed every five years, which includes stakeholder consultation.

Presentations and In-Services
- All presentations are delivered on SA Health PowerPoint templates.
- Presentations explain the Unit’s role in helping minimise induction / relapse of drug dependence and minimisation of drug diversion in medical treatment settings.
- Presentations include information about relevant legislation and medical conditions treated with drugs of dependence.
- Presentations are, as far as possible, tailored to the specific health practitioner audience and include case studies to maximise audience participation.
