

# WILD MUSHROOM POISONING

## WHAT TO DO

If a person has eaten a wild mushroom,  
call the **Poisons Information Centre**  
on **13 11 26** and follow their advice.

If a pet has eaten a wild mushroom,  
call your vet immediately.

### DEATH CAPS:

If you think a Death Cap mushroom may have been  
eaten, go straight to the Emergency Department.

**Do not wait for symptoms.**
