

South Australian annual coverage data for Aboriginal children in 2019

The data provided is annualised for age groups 12 to less than 15 months, 24 to less than 27 months, and 60 to less than 63 months using the AIR March, June, September and December 2019 assessment quarters. Where there are less than 10 children in a Local Government Area (LGA) the data are not given. As a result not all LGA's are listed.
