Southern Adelaide Palliative Services (SAPS)  
Provides services to patient’s  
  • who have a progressive, life limiting illness.  
  • who are aware of, understand and have agreed to/or their decision maker, a palliative care referral  
  • where the primary goals are in controlling symptoms, maximise function, maintain quality of life and provide comfort  
Services can be provided  
  • at any stage of disease that they are required including terminal care (patient is in the last few weeks of life)  

Palliative Care GP Referral Guidelines and Referral Form  
Services provided  
  • Palliative care assessment and provision of service information. Including information about care at the end of life.  
  • Symptom assessment and management.  
  • Psychosocial support for patient and/or carer.  
  • Coordination of community based services to assist in the support and care of the patient in their home.  
  • Services can be provided in the outpatient clinic setting or in the patient’s home, depending on patient need and mobility.  

Services not provided  
  • Patient must have an active life limiting illness  

For Urgent Referrals or appointments contact SAPS on:  
  Ph: (08) 84042058  Fax: 8404 2119  
Outpatient clinics are available at  
  • Flinders Medical Centre

| **If considered an urgent referral please contact Southern Adelaide Palliative Services (SAPS) directly** | • All Referred patients are contacted by SAPS staff within 2 working days. This helps establish the patient’s needs, timing and site of review.  
  • If the referring person thinks a review is required in a short time frame please contact SAPS by telephone to discuss your concerns. |

Uncontrolled symptoms or severe Psychosocial or existential distress are examples of reasons for urgent referral.

General Information to assist with referrals and the and Referral templates for FMC are available to download from the SALHN Outpatient Services website [www.sahealth.sa.gov.au/SALHNoutpatients](http://www.sahealth.sa.gov.au/SALHNoutpatients)
