BUTTON BATTERIES
Serious injury leading to death can occur in less than 2 hours

Common items button batteries are found in
- watch
- car remote
- thermometer
- calculator
- torch keyring
- hearing aid
- remote
- fake candle
- kitchen scales
- musical card & other novelty items

Look for items with button batteries
Keep items & loose batteries out of reach of children
Secure the battery compartment
Dispose of them immediately and safely

URGENT ACTION NEEDED
If you think your child has swallowed or inserted a button battery, don’t wait for them to show symptoms
