## **Report on the Financial Report**

### **Audit Opinion**

We have audited the accompanying financial report of Country Health SA Local Health Network Health Advisory Council Inc. (the Health Advisory Council), which comprises the statement of financial position as at 30 June 2018, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising summary of significant accounting policies and other explanatory information, and the statement by the presiding member and operational finance manager.

In our opinion, the financial report of Country Health SA Local Health Network Health Advisory Council Inc. presents fairly in accordance with Treasurer's Instructions promulgated under the provisions of the Public Finance and Audit Act 1987, Department of Health Accounting Policies, the Health Care Act 2008, applicable Accounting Standards and other mandatory professional reporting requirements in Australia, the financial position of Country Health SA Local Health Network Health Advisory Council Inc. as at 30 June 2018 and the results of its operations and its cash flows for the year then ended.

### **Basis for Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Health Advisory Council in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia, and we have fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Health Advisory Council's Responsibility for the Financial Report**

The Health Advisory Council is responsible for the preparation of the financial report that presents fairly in accordance with the Health Care Act 2008, Treasurer's Instructions promulgated under the provisions of the Public Finance and Audit Act 1987, Department of Health Accounting Policies, applicable Accounting Standards and other mandatory professional reporting requirements in Australia. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report.

## Auditor's Responsibility for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Health Advisory Council's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Health Advisory Council's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## **1 Basis of financial statements**

### **1.1 Reporting entity**

The Advisory Council was established as an incorporated advisory council under the *Health Care Act 2008* under the name of Country Health SA Board Health Advisory Council Incorporated. This name was changed on 5 June 2012 to Country Health SA Local Health Network Health Advisory Council Incorporated (Advisory Council).

The consolidated accounts of the Advisory Council include the income, expenses, assets and liabilities of Country Health SA Local Health Network Health Advisory Council Inc and the following unincorporated Health Advisory Councils under its

- Far North Health Advisory Council
- Hawker District Memorial Health Advisory Council
- Leigh Creek Health Service Health Advisory Council
- Port Augusta, Roxby Downs, Woomera Health Advisory Council
- Port Lincoln Health Advisory Council
- Port Pirie Health Service Health Advisory Council
- Southern Flinders Health Advisory Council
- The Whyalla Hospital and Health Services Health Advisory Council
- Quorn Health Services Health Advisory Council

### **1.2 Statement of compliance**

These financial statements have been prepared in compliance with section 23 of the *Public Finance and Audit Act 1987*.

The financial statements are general purpose financial statements. The accounts have been prepared in accordance with relevant Australian Accounting Standards (Reduced Disclosure Requirements) and comply with Treasurer's Instructions and accounting policy statements promulgated under the provisions of the *Public Finance and Audit Act 1987*.

The Advisory Council has applied Australian Accounting Standards that are applicable to not-for-profit entities, as the Advisory Council is a not-for-profit entity.

### **1.3 Basis of preparation**

The financial statements have been prepared based on a 12 month period and presented in Australian currency. All amounts in the financial statements and accompanying notes have been rounded to the nearest thousand dollars (\$'000).

The historical cost convention is used unless a different measurement basis is specifically disclosed in the note associated with the item measured on a different basis.

Assets and liabilities that are to be sold, consumed or realised as part of the normal operating cycle have been classified as current assets or current liabilities. All other assets and liabilities are classified as non-current.

The Advisory Council did not voluntarily change any of its accounting policies during 2017-18.

Significant accounting policies are set out below or in the notes.

### **1.4 Taxation**

The Advisory Council is not subject to income tax but is liable for goods and services tax (GST).

Income, expenses and assets are recognised net of the amount of GST except:

- when the GST incurred on a purchase of goods or services is not recoverable from the Australian Taxation Office (ATO), in which case the GST is recognised as part of the cost of acquisition of the asset or as part of the expense item applicable; and
- receivables and payables, which are stated with the amount of GST included.

The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the Statement of Financial Position.

Cash flows are included in the Statement of Cash Flows on a gross basis, and the GST component of cash flows arising from investing and financing activities, which is recoverable from, or payable to, the ATO is classified as part of operating cash flows.

### **1.5 Equity**

The Advisory Council uses the asset revaluation surplus to record increments and decrements in the fair value of land and buildings to the extent that they offset one another. Relevant amounts are transferred to retained earnings when an asset is derecognised.

**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS**  
**For the year ended 30 June 2018**

**2 Objectives and activities**

The Country Health SA Local Health Network Health Advisory Council Inc (Advisory Council) was established under the Health Care Act 2008 (the Act) to undertake an advocacy role on behalf of the community, to provide advice, and to perform other functions as determined under the Act.

The Advisory Council is established to:

- advise on the health service needs, priorities and issues within the Local Area with particular emphasis upon those issues in the context of consumers of health services, carers and volunteers
- ascertain the health needs of the Community and the attitude of the Community to the development of health services within the Community
- advocate on behalf of the Community to support the planning and provision of health services as part of an integrated statewide health system for the benefit of the Community
- hold assets for the benefit, purposes and use of, the Health Unit(s) on terms and conditions determined of approved by the Minister
- undertake such other activities as the Advisory Council may determine for the benefit or support of health services in the Local Area

The functions of the Advisory Council are to contribute significantly to the improved overall health status of all people by acting as an advocate and providing advice about the provision of health services, health issues, goals, priorities, plans and other strategic initiatives both inside and outside the Local Area.

**3 Other expenses**

## 9 Property, plant and equipment

### 9.1 Acquisition and recognition

Non-current assets are initially recorded at cost or at the value of any liabilities assumed, plus any incidental cost involved with the acquisition. Non-current assets are subsequently measured at fair value after allowing for accumulated depreciation. Where assets are acquired at no value, or minimal value, they are recorded at their fair value in the Statement of Financial Position. Where assets are acquired at no or nominal value as part of a restructure of administrative arrangements, the assets are recorded at the value held by the transferor public authority prior to the restructure.

The Advisory Council capitalises all non-current tangible assets that it controls valued at or greater than \$10,000.

### 9.2 Depreciation

All non-current assets, that have a limited useful life, are systematically depreciated over their useful lives in a manner that reflects the consumption of their service potential.

The useful lives and depreciation methods of all major assets held by the Advisory Council are reassessed on an annual basis. Changes in expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are accounted for prospectively by changing the time period or method, as appropriate, which is a change in an accounting estimate.

Land and non-current assets held for sale are not depreciated.

Depreciation is calculated on a straight line basis over the estimated or revised remaining useful life of the following classes of assets as follows:

<u>Class of asset</u>	<u>Useful life (years)</u>
Buildings and improvements	40 - 80
Site improvements	40 - 80

### 9.3 Revaluation

The Advisory Council revalues all land, buildings and site improvements triennially via a Certified Practising Valuer.

If at any time, management considers that the carrying amount of an asset greater than \$1 million materially differs from its fair value, then the asset will be revalued regardless of when the last valuation took place.

Non-current tangible assets that are acquired between revaluations are held at cost, until the next valuation, when they are revalued to fair value.

Revaluation increases and revaluation decreases relating to individual assets within a class of property, are offset against one another within that class, but are not offset in respect of assets in different classes.

Any accumulated depreciation as at the revaluation date is eliminated against the gross carrying amounts of the assets and the net amounts are restated to the revalued amounts of the asset.

Upon disposal or derecognition, any asset revaluation surplus relating to that asset is transferred to retained earnings.

### 9.4 Impairment

The Advisory Council holds its property assets for their service potential (value in use). All non-current tangible assets are valued at fair value. Specialised assets would rarely be sold and typically any costs of disposal would be negligible, accordingly the recoverable amount will be closer to or greater than fair value. Where there is an indication of impairment, the recoverable amount is estimated. The recoverable amount is determined as the higher of the asset's fair value less costs of disposal and depreciated replacement cost. The amount by which the asset's carrying amount exceeds the recoverable amount is recorded as an impairment loss. For revalued assets, an impairment loss is offset against the revaluation surplus for that class of assets, to the extent that the impairment loss does not exceed the amount in the respective asset revaluation surplus.

There were no indications of impairment of property and infrastructure as at 30 June 2018.

**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS**  
**For the year ended 30 June 2018**

**9.5 Valuation of land and buildings**

An independent valuation of land and buildings, including site improvements, was performed in March 2018 by a Certified Practising Valuer from AssetVal (JLT) Pty Ltd, as at 1 June 2018.

The valuer arrived at the fair value of unrestricted land using the market approach. The valuation was based on recent market transactions for similar land and buildings (non-specialised) in the area and includes adjustment for factors specific to the land and buildings being valued such as size, location and current use.

The valuer used depreciated replacement cost for specialised land and buildings, due to there not being an active market for such land and buildings. The depreciated replacement cost considered the need for ongoing provision of government services; specialised nature of the assets, including the restricted use of the assets; the size, condition, location and current use of the assets. The valuation was based on a combination of internal records, specialised knowledge and the acquisition/transfer costs.

## 12 Financial instruments / financial risk management

### 12.1 Financial risk management

Risk management is managed by the Department for Health and Wellbeing's Risk and Assurance Services section and risk management policies are in accordance with the *Risk Management Policy Statement* issued by the Premier and Treasurer and the principles established in the *Australian Standard Risk Management Principles and Guidelines*.

The Advisory Council's exposure to financial risk (liquidity risk, credit risk and market risk) is low due to the nature of the financial instruments held.

### 12.2 Categorisation of financial instruments

Details of the significant accounting policies and methods adopted including the criteria for recognition, the basis of measurement, and the basis on which income and expenses are recognised with respect to each class of financial asset, financial liability and equity instrument are disclosed in the respective financial asset / financial liability note.

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF THE  
COUNTRY HEALTH SA BOARD HEALTH ADVISORY COUNCIL INC. GIFT FUND TRUST**

**Report on the Financial Report**

We have audited the accompanying financial report of Country Health SA Board Health Advisory Council Inc. Gift Fund Trust (the Gift Fund Trust), which comprises the statement of financial position as at 30 June 2018, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising summary of significant accounting policies and other explanatory information, and the statement by the presiding member and operational finance manager.

In our opinion, the financial report of Country Health SA Board Health Advisory Council Inc. Gift Fund Trust presents fairly in accordance with Treasurer's Instructions promulgated under the provisions of the Public Finance and Audit Act 1987, Department of Health Accounting Policies, the Health Care Act 2008, applicable Accounting Standards and other mandatory professional reporting requirements in Australia, the financial position of Country Health SA Board Health Advisory Council Inc. Gift Fund Trust as at 30 June 2018 and the results of its operations and its cash flows for the year then ended.

**Basis for Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Health Advisory Council in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia, and we have fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Health Advisory Council's Responsibility for the Financial Report**

The Gift Fund Trust is responsible for the preparation of the financial report that gives a true and fair view in accordance with the Health Care Act 2008, Treasurer's Instructions promulgated under the provisions of the Public Finance and Audit Act 1987, Department of Health Accounting Policies, applicable Accounting Standards and other mandatory professional reporting requirements in Australia. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report.

## **Auditor's Responsibility for the Audit of the Financial Report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Health Advisory Council's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Health Advisory Council's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**COUNTRY HEALTH SA LOCAL HEALTH NETWORK HEALTH ADVISORY COUNCIL INC GIFT FUND TRUST**  
**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS**  
**For the year ended 30 June 2018**

---

**1 Basis of financial statements**

**1.1 Reporting entity**

The Country Health SA Local Health Network Health Advisory Council Inc Gift Fund Trust (the Trust) was established by virtue of a deed executed between the Department for Health and Wellbeing and the Country Health SA Local Health Network Health Advisory Council Inc (the Trustee).

The consolidated accounts of the Trust include the income, expenses, assets and liabilities of the Trust and the following unincorporated Health Advisory Councils under its control:

- Far North Health Advisory Council
- Hawker District Memorial Health Advisory Council
- Leigh Creek Health Service Health Advisory Council
- Port Augusta, Roxby Downs, Woomera Health Advisory Council
- Port Lincoln Health Advisory Council
- Port Pirie Health Service Health Advisory Council
- Southern Flinders Health Advisory Council
- The Whyalla Hospital and Health Services Health Advisory Council
- Quorn Health Services Health Advisory Council

**1.2 Statement of compliance**

These financial statements have been prepared in compliance with section 23 of the *Public Finance and Audit Act 1987*.

The financial statements are general purpose financial statements. The accounts have been prepared in accordance with relevant Australian Accounting Standards (Reduced Disclosure Requirements) and comply with Treasurer's Instructions and accounting policy statements promulgated under the provisions of the *Public Finance and Audit Act 1987*.

The Trust has applied Australian Accounting Standards that are applicable to not-for-profit entities, as the Trust is a not-for-profit entity.

**1.3 Basis of preparation**

The financial statements have been prepared based on a 12 month period and presented in Australian currency. All amounts in the financial statements and accompanying notes have been rounded to the nearest thousand dollars (\$'000).

The historical cost convention is used unless a different measurement basis is specifically disclosed in the note associated with the item measured on a different basis.

Assets and liabilities that are to be sold, consumed or realised as part of the normal operating cycle have been classified as current assets or current liabilities. All other assets and liabilities are classified as non-current.

The Trust did not voluntarily change any of its accounting policies during 2017-18.

Significant accounting policies are set out below or in the notes.

**1.4 Taxation**

The Trust is not subject to income tax but is liable for goods and services tax (GST).

Income, expenses and assets are recognised net of the amount of GST except:

- when the GST incurred on a purchase of goods or services is not recoverable from the Australian Taxation Office (ATO), in which case the GST is recognised as part of the cost of acquisition of the asset or as part of the expense item applicable; and
- receivables and payables, which are stated with the amount of GST included.

The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the Statement of Financial Position.

Cash flows are included in the Statement of Cash Flows on a gross basis, and the GST component of cash flows arising from investing and financing activities, which is recoverable from, or payable to, the ATO is classified as part of operating cash flows.

**COUNTRY HEALTH SA LOCAL HEALTH NETWORK HEALTH ADVISORY COUNCIL INC GIFT FUND TRUST**  
**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS**
