

DRG3 – Deep Venous Thrombosis

1. These guidelines have been developed to support decision making by My Home Hospital staff including medical officers to ensure that clinical risks are identified and can be managed.
2. These guidelines may be of value to referrers but are not inclusion/exclusion criteria.
3. If referrers have any questions or concerns regarding a patient referral they should speak to a My Home Hospital care coordinator, medical officer or the Medical Director on 1800 111 644.
