

# COVID-19 UPDATE

COVID-19 Information for General Practice

## OFFICIAL

**23 January 2021**

Good afternoon everyone. There are currently two active case of COVID-19 in South Australia. Check out the [dashboard](#) for further details.

### **Expression of Interest - Phase 1b COVID-19 Vaccine Roll-out**

All accredited general practices are invited to express their interest in participating in Phase 1b of the COVID-19 Vaccination Program. The roll-out of Phase 1b is planned to commence from March 2021 and an Expression of Interest (EOI) should be completed for each individual practice location.

Responses to the EOI should be submitted online via the [EOI response form](#) and will be accepted until 11.59pm AWST on 1 February 2021.

Please note General Practitioner led Respiratory Clinics and Aboriginal Community Controlled Health Services do not need to apply through this EOI and will be supported to participate through a separate process.

More information on the EOI can be found [here](#).

### **COVID-19 testing site update**

A number of testing sites have updated operating hours this weekend due to the hot weather forecast. Outdoor drive-through and walk-in testing sites may close at short notice due to weather.

To check the opening hours or to find other alternative testing locations visit [www.sahealth.sa.gov.au/covidtesting](http://www.sahealth.sa.gov.au/covidtesting).
