

Credentiailling and Scope of Clinical Practice System (CSCPS):

View Only access

The CSCPS is available from the SA Health intranet via the Start Menu - Corporate Programs – SAH Applications or at <http://credentiailling.sahealth.sa.gov.au>. You will be asked to enter your usual computer user name and password to enter the system. Remember to enter **hadl** before your user name. You will then see the below screen.

The screenshot shows the login page for the SA Health Credentiailling and Scope of Clinical Practice System for Health Practitioners. At the top right, there is a 'Logon' button. The main content area contains the following text:

Welcome to the SA Health Credentiailling and Scope of Clinical Practice System for Health Practitioners.

The Credentiailling and Scope of Clinical Practice System for Health Practitioners holds information regarding the credentiailling and scope of clinical practice status of SA Health Medical Practitioners, Dental Practitioners, Allied and Scientific Health staff, Nurse Practitioners, Eligible Midwives and SA Ambulance Service staff.

All staff with a SA Health log on are able to search and view an individual health practitioner's credentiailling and scope of clinical practice status. To enter the system, click the 'log on' button and search for the required health practitioner.

If you require a higher level of access, please obtain approval from the appropriate Credentiailling Committee before contacting the System Administrator.

For assistance regarding the system please contact the System Administrator on 8226 6188 or at CSCPS@health.sa.gov.au.

Further information regarding the credentiailling system is available on the SA Health Safety and Quality website at: <http://www.sahealth.sa.gov.au/wps/wcm/connect/public+content/sa+health+internet/clinical+resources/safety+and+quality>
