COVID-19 UPDATE 33: WEDNESDAY 6 MAY 2020

***Open Your World* launches**

Today the State Government launched *Open Your World*, the new statewide wellbeing strategy, platform and campaign.

Open Your World is a single source of information, with a dedicated [website](#) promoting wellbeing, including tips on staying healthy, activities for kids and online resources for learning and skill development.

It aims to help South Australians build resilience and support physical, social, mental and community wellbeing in response to the COVID-19 pandemic.

Two weeks with no new cases

South Australia has now recorded 14 consecutive days with no new cases. To date, there are only two active cases of COVID-19 in SA.

While South Australians have done a great job maintaining social distancing and getting tested, it's important we don't get complacent.

The state's biggest risk of new cases now will be travellers coming in from other states and territories where they are still finding new cases. More than 27,000 people have arrived in South Australia since border closures were introduced.

It's important everyone does their part to help [Stop the Spread](#) of COVID-19, by continuing to practise good hygiene and social distancing and downloading the [COVIDSafe app](#).

SOUTH AUSTRALIA COVID-19 CASES

- > No new cases today
- > 438 confirmed cases in total
- > 432 people have recovered from COVID-19

- > Only two active cases.
- > Sadly, there have been 4 COVID-19 related deaths in SA to date
