Section B: Reporting required under any other act or regulation

Health Care Act 2008

Part 4 Health Advisory Councils, Division 2 Functions and Powers, 18 Functions

The Lower Eyre Health Advisory Council has acted throughout the year to promote the interests of the community and to represent the community in the life of the health service.

- The Lower Eyre Health Advisory Council has provided advice about relevant aspects of the provision of health services, and relevant health issues, goals, priorities, plans and strategic initiatives. Examples of this include reviewing of patient clinical handouts to assess whether they might be easily understood by lay people, the running of the “Cummins Health Chat” and “Tumby Bay Health Chat” group to discuss what the future health needs of the communities might be.
- The Lower Eyre Health Advisory Council worked with the District Council of Tumby Bay to project manage the rebuild of the Community Health Building at the Tumby Bay Hospital with funding obtained via a Commonwealth Government Grant. The official opening of this building took place on 19 April 2017 with the Federal Member for Grey, Mr Rowan Ramsey, officiating.
- The Lower Eyre Health Advisory Council worked with the Tumby Bay and Uringa Hostel Ladies Auxiliary in partnership with the Tumby Bay Hospital to manage the redevelopment of the Uringa Hostel. This was funded by a bequest. The official opening took place on 23 August 2016 with His Excellency, the Honourable Hieu Van Le AC, Governor of South Australia, officiating.
- The Lower Eyre Health Advisory Council holds donated funds and has worked in partnership with both the Cummins Hospital and the Tumby Bay Hospital to expend these funds in ways that would benefit the hospital. Examples include the purchase of equipment such as a bariatric cloud chair and building works such as the reroofing of portions of both hospitals.
- The Lower Eyre Health Advisory Council successfully applied to upgrade aged care bed licences in both Cummins and Tumby Bay from low to high care.
- The Lower Eyre Health Advisory Council applied to the Commonwealth Government of Australia to increase aged care bed licences. While this application was unsuccessful the feedback will be used to make a renewed application in the next Aged Care Approvals round.
- The Lower Eyre Health Advisory Council participated in the process of selection of the Multi Campus Executive Officer – Director of Nursing.
- The Lower Eyre Health Advisory Council has actively promoted the Commonwealth Government’s Aged Care Reforms and the rebranding of Community Health to Country Health Connect.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE LOWER EYRE HEALTH ADVISORY COUNCIL INC. GIFT FUND TRUST

Scope

Report on the Financial Report

We have audited the accompanying financial report of Lower Eyre Health Advisory Council Inc. Gift Fund Trust (the Gift Fund Trust), which comprises the statement of financial position as at 30 June 2017, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising summary of significant accounting policies and other explanatory information, and the statement by the presiding member and operational finance manager.

Health Advisory Council's Responsibility for the Financial Report

The Gift Fund Trust is responsible for the preparation of the financial report that gives a true and fair view in accordance with the Health Care Act 2008, Treasurer's Instructions promulgated under the provisions of the Public Finance and Audit Act 1987, Department of Health Accounting Policies, applicable Accounting Standards and other mandatory professional reporting requirements in Australia. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedure to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Gift Fund Trust's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Gift Fund Trust's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Gift Fund Trust, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of Australian professional ethical pronouncements.

Audit Opinion

In our opinion, the financial report of Lower Eyre Health Advisory Council Inc. Gift Fund Trust presents fairly in accordance with Treasurer's Instructions promulgated under the provisions of the Public Finance and Audit Act 1987, Department of Health Accounting Policies, the Health Care Act 2008, applicable Accounting Standards and other mandatory professional reporting requirements in Australia, the financial position of Lower Eyre Health Advisory Council Inc. Gift Fund Trust as at 30 June 2017 and the results of its operations and its cash flows for the year then ended.

1 Objectives of Lower Eyre Health Advisory Council Inc Gift Fund Trust

The Lower Eyre Health Advisory Council Inc Gift Fund Trust (the Trust) was established by virtue of a deed executed between the Department for Health and Ageing and the Lower Eyre Health Advisory Council Inc (the Trustee).

The Trust is a public ancillary fund and has been endorsed by the Australian Taxation Office as a Deductible Gift Recipient (DGR).

The Trust is established to:

- seek, collect and administer donations and bequests, to be used for the benefit of the local area health services that are DGRs
- undertake fundraising activities, the proceeds from which are to be used for the benefit of the local area health services that are DGRs

1.1 Reporting entity

The financial statements include all controlled activities of the Trust.

The Trust does not control any other entity and has no interests in unconsolidated structured entities.

2 Summary of significant accounting policies

2.1 Statement of compliance

These financial statements have been prepared in compliance with section 23 of the *Public Finance and Audit Act 1987*.

The financial statements are general purpose financial statements. The accounts have been prepared in accordance with relevant Australian Accounting Standards (Reduced Disclosure Requirements) and comply with Treasurer's Instructions and accounting policy statements promulgated under the provisions of the *Public Finance and Audit Act 1987*.

The Trust has applied Australian Accounting Standards that are applicable to not-for-profit entities, as the Trust is a not-for-profit entity.

2.2 Basis of preparation

The preparation of the financial statements requires:

- the use of certain accounting estimates and requires management to exercise its judgment in the process of applying the Trust's accounting policies. The areas involving a higher degree of judgment or where assumptions and estimates are significant to the financial statements are outlined in the applicable notes;
- accounting policies to be selected and applied in a manner which ensures that the resulting financial information satisfies the concepts of relevance and reliability, thereby ensuring that the substance of the underlying transactions or other events are reported; and
- compliance with Accounting Policy Statements issued pursuant to section 41 of the *Public Finance and Audit Act 1987*.

The financial statements have been prepared based on a 12 month period and are presented in Australian currency.

2.3 Comparative information

The presentation and classification of items in the financial statements are consistent with prior periods except where specific accounting standards and/or accounting policy statements have required a change, or as otherwise noted.

The restated comparative amounts do not replace the original financial statements for the preceding period.

2.4 Rounding

All amounts in the financial statements are rounded to the nearest thousand dollars (\$'000).

2.5 Taxation

The Trust is not subject to income tax but is liable for goods and services tax (GST).

Income, expenses and assets are recognised net of the amount of GST except:

- when the GST incurred on a purchase of goods or services is not recoverable from the Australian Taxation Office (ATO), in which case the GST is recognised as part of the cost of acquisition of the asset or as part of the expense item applicable; and
- receivables and payables, which are stated with the amount of GST included.

The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the Statement of Financial Position.

Cash flows are included in the Statement of Cash Flows on a gross basis, and the GST component of cash flows arising from investing and financing activities, which is recoverable from, or payable to, the ATO is classified as part of operating cash flows.

2.6 Events after the reporting period

Adjustments are made to amounts recognised in the financial statements, where an event occurs after 30 June and before the date the financial statements are authorised for issue, where those events provides information about conditions that existed at 30 June.

Note disclosure is made about events between 30 June and the date the financial statements are authorised for issue, where the events relate to a condition which arose after 30 June, and which may have a material impact on the results of subsequent years.

2.7 Current and non-current classification

The Trust has a clearly defined operating cycle of 12 months. Assets and liabilities that are to be sold, consumed or realised as part of the normal operating cycle even when they are not expected to be realised within 12 months after the reporting date have been classified as current assets or current liabilities. All other assets and liabilities are classified as non-current.

3 New and revised accounting standards and policies

The Trust did not voluntarily change any of its accounting policies during 2016-17.

The Trust measures financial assets and debts at historical cost.

9 Financial instruments / financial risk management

9.1 Financial risk management

Risk management is managed by the Department for Health and Ageing's Risk and Assurance Services section and risk management policies are in accordance with the *Risk Management Policy Statement* issued by the Premier and Treasurer and the principles established in the *Australian Standard Risk Management Principles and Guidelines*.

The Trust's exposure to financial risk (liquidity risk, credit risk and market risk) is low due to the nature of the financial instruments held. There have been no changes in risk exposure since the last reporting period.

9.2 Categorisation of financial instruments

Details of the significant accounting policies and methods adopted including the criteria for recognition, the basis of measurement, and the basis on which income and expenses are recognised with respect to each class of financial asset, financial liability and equity instrument are disclosed in Note 2 or the respective financial asset / financial liability note.

The carrying amounts of each of the following categories of financial assets and liabilities: Held-to-maturity investments; receivables; and financial liabilities measured at cost are detailed below.

10 Remuneration of Council members

The total remuneration received or receivable by members was nil. In accordance with the *Department of Premier and Cabinet Circular No. 016*, government employees did not receive any remuneration for council member duties during the financial year. Unless otherwise disclosed, transactions between members are on conditions no more favourable than those that it is reasonable to expect the entity would have adopted if dealing with the related party at arm's length in the same circumstances.

11 Related party transactions

The Trust is a government administrative unit and is wholly owned and controlled by the Crown.

Related parties of the Trust include all key management personnel and their close family members; all Cabinet Ministers and their close family members; and all public authorities that are controlled and consolidated into the whole of government financial statements and other interests of the Government.

Key Management Personnel

Key management personnel of the the Trust includes the Ministers, the Chief Executive of the Department, Chief Executive Officer of Country Health SA Local Health Network and the members of the Advisory Council.

There were no transactions with key management personnel and other related parties that require disclosure.

12 Events after balance date

The Trust is not aware of any material events occurring between the end of the reporting period and when the financial statements were authorised.

1 Objectives of Lower Eyre Health Advisory Council Inc

The Lower Eyre Health Advisory Council Inc (Advisory Council) was established under the Health Care Act 2008 (the Act) to undertake an advocacy role on behalf of the community, to provide advice, and to perform other functions as determined under the Act.

The Advisory Council is established to:

- advise on the health service needs, priorities and issues within the Local Area with particular emphasis upon those issues in the context of consumers of health services, carers and volunteers
- ascertain the health needs of the Community and the attitude of the Community to the development of health services within the Community
- advocate on behalf of the Community to support the planning and provision of health services as part of an integrated statewide health system for the benefit of the Community
- hold assets for the benefit, purposes and use of, the Health Unit(s) on terms and conditions determined or approved by the Minister
- undertake such other activities as the Advisory Council may determine for the benefit or support of health services in the Local Area

The functions of the Advisory Council are to contribute significantly to the improved overall health status of all people by acting as an advocate and providing advice about the provision of health services, health issues, goals, priorities, plans and other strategic initiatives both inside and outside the Local Area.

1.1 Reporting entity

The Advisory Council was established as an incorporated advisory council under the *Health Care Act 2008*.

The financial statements include all controlled activities of the Advisory Council.

The Advisory Council does not control any other entity and has no interests in unconsolidated structured entities.

2 Summary of significant accounting policies

2.1 Statement of compliance

These financial statements have been prepared in compliance with section 23 of the *Public Finance and Audit Act 1987*.

The financial statements are general purpose financial statements. The accounts have been prepared in accordance with relevant Australian Accounting Standards (Reduced Disclosure Requirements) and comply with Treasurer's Instructions and accounting policy statements promulgated under the provisions of the *Public Finance and Audit Act 1987*.

The Advisory Council has applied Australian Accounting Standards that are applicable to not-for-profit entities, as the Advisory Council is a not-for-profit entity.

2.2 Basis of preparation

The preparation of the financial statements requires:

- the use of certain accounting estimates and requires management to exercise its judgment in the process of applying the Advisory Council's accounting policies. The areas involving a higher degree of judgment or where assumptions and estimates are significant to the financial statements are outlined in the applicable notes;
- accounting policies to be selected and applied in a manner which ensures that the resulting financial information satisfies the concepts of relevance and reliability, thereby ensuring that the substance of the underlying transactions or other events are reported; and
- compliance with Accounting Policy Statements issued pursuant to section 41 of the *Public Finance and Audit Act 1987*.

The financial statements have been prepared based on a 12 month period and are presented in Australian currency.

2.3 Comparative information

The presentation and classification of items in the financial statements are consistent with prior periods except where specific accounting standards and/or accounting policy statements have required a change, or as otherwise noted.

The restated comparative amounts do not replace the original financial statements for the preceding period.

2.4 Rounding

All amounts in the financial statements are rounded to the nearest thousand dollars (\$'000).

2.5 Taxation

The Advisory Council is not subject to income tax but is liable for goods and services tax (GST).

Income, expenses and assets are recognised net of the amount of GST except:

- when the GST incurred on a purchase of goods or services is not recoverable from the Australian Taxation Office (ATO), in which case the GST is recognised as part of the cost of acquisition of the asset or as part of the expense item applicable; and
- receivables and payables, which are stated with the amount of GST included.

The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the Statement of Financial Position.

Cash flows are included in the Statement of Cash Flows on a gross basis, and the GST component of cash flows arising from investing and financing activities, which is recoverable from, or payable to, the ATO is classified as part of operating cash flows.

2.6 Events after the reporting period

Adjustments are made to amounts recognised in the financial statements, where an event occurs after 30 June and before the date the financial statements are authorised for issue, where those events provides information about conditions that existed at 30 June.

Note disclosure is made about events between 30 June and the date the financial statements are authorised for issue, where the events relate to a condition which arose after 30 June, and which may have a material impact on the results of subsequent years.

2.7 Current and non-current classification

The Advisory Council has a clearly defined operating cycle of 12 months. Assets and liabilities that are to be sold, consumed or realised as part of the normal operating cycle even when they are not expected to be realised within 12 months after the reporting date have been classified as current assets or current liabilities. All other assets and liabilities are classified as non-current.

2.8 Non-current assets

a. Acquisition and recognition of non-current assets

Non-current assets are initially recorded at cost or at the value of any liabilities assumed, plus any incidental cost involved with the acquisition. Non-current assets are subsequently measured at fair value after allowing for accumulated depreciation. Where assets are acquired at no value, or minimal value, they are recorded at their fair value in the Statement of Financial Position. Where assets are acquired at no or nominal value as part of a restructure of administrative arrangements, the assets are recorded at the value held by the transferor public authority prior to the restructure.

The Advisory Council capitalises all non-current tangible assets that it controls valued at or greater than \$10,000.

b. Depreciation and amortisation of non-current assets

All non-current assets, that have a limited useful life, are systematically depreciated over their useful lives in a manner that reflects the consumption of their service potential.

The useful lives and depreciation methods of all major assets held by the Advisory Council are reassessed on an annual basis.

Changes in expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are accounted for prospectively by changing the time period or method, as appropriate, which is a change in accounting estimate.

Land and non current assets held for sale are not depreciated.

Depreciation is calculated on a straight line basis over the estimated or revised remaining useful life of the following classes of assets as follows:

<u>Class of asset</u>	<u>Useful life (years)</u>
Buildings and improvements	40 - 80
Site improvements	40 - 80

c. Revaluation of non-current assets

All non-current tangible assets are valued at written down cost (a proxy for fair value)

The Advisory Council revalues all land, buildings and site improvements triennially via a Certified Practising Valuer.

If at any time, management considers that the carrying amount of an asset greater than \$1 million materially differs from its fair value, then the asset will be revalued regardless of when the last valuation took place.

Non-current tangible assets that are acquired between revaluations are held at cost, until the next valuation, when they are revalued to fair value.

Revaluation increases and revaluation decreases relating to individual assets within a class of property, plant and equipment, are offset against one another within that class, but are not offset in respect of assets in different classes.

Any accumulated depreciation as at the revaluation date is eliminated against the gross carrying amounts of the assets and the net amounts are restated to the revalued amounts of the asset.

Upon disposal or derecognition, any asset revaluation surplus relating to that asset is transferred to retained earnings.

d. Impairment

The Advisory Council holds its property assets for their service potential (value in use). All non-current tangible assets are valued at fair value. Specialised assets would rarely be sold and typically any costs of disposal would be negligible, accordingly the recoverable amount will be close to or greater than fair value. The Advisory Council also expects for all other non-current tangible assets that any costs of disposal will be negligible, and the recoverable amount to be close to or greater than fair value.

2.9 Equity

The Advisory Council uses the asset revaluation surplus to record increments and decrements in the fair value of land and buildings to the extent that they offset one another. Relevant amounts are transferred to retained earnings when an asset is derecognised.

3 New and revised accounting standards and policies

The Advisory Council did not voluntarily change any of its accounting policies during 2016-17.

Valuation of land and buildings

An independent valuation of land and buildings, including site improvements, was performed in May 2015 by a Certified Practising Valuer from Liquid Pacific Holdings Pty Ltd, as at 1st June 2015.

The valuer arrived at the fair value of unrestricted land using the market approach. The valuation was based on recent market transactions for similar land and buildings (non-specialised) in the area and includes adjustment for factors specific to the land and buildings being valued such as size, location and current use.

The valuer used depreciated replacement cost for specialised land and buildings, due to there not being an active market for such land and buildings. The depreciated replacement cost considered the need for ongoing provision of government services; specialised nature of the assets, including the restricted use of the assets; the size, condition, location and current use of the assets. The valuation was based on a combination of internal records, specialised knowledge and the acquisition/transfer costs.

Impairment

There were no indications of impairment of property and infrastructure assets at 30 June 2017.

Resources received free of charge

There were no resources received free of charge during the reporting period.

10 Financial instruments / financial risk management

10.1 Financial risk management

Risk management is managed by the Department for Health and Ageing's Risk and Assurance Services section and risk management policies are in accordance with the *Risk Management Policy Statement* issued by the Premier and Treasurer and the principles established in the *Australian Standard Risk Management Principles and Guidelines*.

The Advisory Council's exposure to financial risk (liquidity risk, credit risk and market risk) is low due to the nature of the financial instruments held. There have been no changes in risk exposure since the last reporting period.

10.2 Categorisation of financial instruments

Details of the significant accounting policies and methods adopted including the criteria for recognition, the basis of measurement, and the basis on which income and expenses are recognised with respect to each class of financial asset, financial liability and equity instrument are disclosed in Note 2 or the respective financial asset / financial liability note.

The carrying amounts of each of the following categories of financial assets and liabilities: Held-to-maturity investments; receivables; and financial liabilities measured at cost are detailed below.

Category of financial asset and financial liability	Notes	2017 Carrying amount/ Fair value \$'000	2016 Carrying amount/ Fair value \$'000
<i>Financial assets</i>			
Cash and equivalent			
Cash and cash equivalents	8	192	211
Total financial assets		192	211

11 Remuneration of Council members

The total remuneration received or receivable by members was nil. In accordance with the *Department of Premier and Cabinet Circular No. 016*, government employees did not receive any remuneration for council member duties during the financial year. Unless otherwise disclosed, transactions between members are on conditions no more favourable than those that it is reasonable to expect the entity would have adopted if dealing with the related party at arm's length in the same circumstances.

12 Related party transactions

The Advisory Council is a government administrative unit and is wholly owned and controlled by the Crown.

Related parties of the Advisory Council include all key management personnel and their close family members; all Cabinet Ministers and their close family members; and all public authorities that are controlled and consolidated into the whole of government financial statements and other interests of the Government.

Key Management Personnel

Key management personnel of the the Advisory Council includes the Ministers, the Chief Executive of the Department, Chief Executive Officer of Country Health SA Local Health Network and the members of the Advisory Council.

There were no transactions with key management personnel and other related parties that require disclosure.

13 Events after balance date

The Advisory Council is not aware of any material events occurring between the end of the reporting period and when the financial statements were authorised.
