Call for Applications – HREC Clinical Doctor

Applications are now open for Clinical Doctors

The South Australian Department for Health and Wellbeing (DHW) is seeking to recruit a clinical doctor with current medical experience and a keen interest in research for its Human Research Ethics Committee (HREC).

The HREC provides ethical assessment of research proposals conducted by SA Health or external researchers seeking access to SA Health participants (data, staff or clients), including acting as the lead HREC for multi-centre research relating to: public health, qualitative health, mental health and data linkage research. The HREC does not review clinical trials.

Eligibility criteria

To be eligible to apply, you must:

> Work within SA Health as a clinical doctor
> Have an understanding of ethical issues that relate to research studies (not essential, but preferred).

Commitment

HREC meetings are scheduled monthly on a Thursday afternoon from 4pm to 6pm at DHW, located at the CitiCentre Building, 11 Hindmarsh Square, Adelaide.

A teleconferencing facility is also available, although it is preferred that you attend in person if possible.

To apply

Candidates interested in applying for the role must submit a covering letter (no more than 1 page) and CV containing the name and contact details of two referees to:
Health.HumanResearchEthicsCommittee@sa.gov.au

Enquiries

For enquiries, please contact Mel Kluge, HREC Executive Officer on 08 8226 7702 or Health.HumanResearchEthicsCommittee@sa.gov.au

Applications close: 12th April 2019
