Health Lens Analysis Unpacked

31 March 2017

Dr Matthew McConnell
Deputy Chief Medical Advisor
Public Health Physician
Country Health SA
South Australian HiAP Model

Central Government Mandate:
- Formal agreement between Central Government & the Health Department
- Public Health Legislation to support systematising HiAP across government
- State strategic priorities (economic, social and environmental) to guide policy action

Short Term:
- Developing capacity across the system
- Increased understanding and action on the determinants of health
- Network of collaborative working alliances

Long Term:
- Strengthened public policy outcomes
- Improved population health, wellbeing and equity

Principles of Health in All Policies

Communication & Networking | Mandate & Leadership | Partnerships & Learning | Champions & Advocacy | Shared Resources & Support | Flexibility & Responsiveness | Mutual Recognition & Respect
