

Information for patients

Angaston Hospital

Angaston District Hospital provides acute services ranging from in-hospital care for adults and children by local general practitioners to specialist surgical and outpatients.

Patients may commence their stay at Angaston District Hospital but finish their care at one of the neighbouring hospitals with specialist medical or allied health input when required. All hospitals in the area work collaboratively to support the patient care needs of the region.

Visitors

Visitors play an important part in any patient's hospital stay, and visitors are welcome.

Visiting hours for all wards are 11.00 am to 8.00 pm.

Any visitors who are required to be in the hospital building outside these hours will need to register at the admissions desk and receive an identity badge.
