TAKING A ROLE

Before you can do anything in SAHEMS, you MUST have a role.

To take a role, click on the “(none)” next to “Your Current Role”.

The screenshot displays the SAHEMS user interface. At the top, the header includes the SAHEMS logo, navigation options for 'Form' and 'Activity', and a search icon. On the right side of the header, the user's name 'Shane Bolton' is visible. Below the header, a red arrow points to a dropdown menu labeled 'Your Current Role: (none) |'. To the right of this menu, the text 'Your Current Network: CALHN' is displayed. The main content area is titled 'My Dashboard' and shows a grid of widgets for 'My Incidents' (1), 'My Forms' (0), 'My Activities' (0), 'My Notifications' (0), and 'My Pending Activities' (0). A sidebar on the left contains various navigation options such as 'My Dashboard', 'My Incidents', 'My Forms', 'My Activities', 'My Notifications', 'My Pending Activities', 'My Activity Logs', 'My Activity Logs', 'My Sent High Priority Notifications', 'My Drafts', 'People & Roles', 'Incidents', 'Resources', 'Special Forms', and 'Help'.

If there is no Bronze Commander logged in, then you will need to 'take' the Bronze Commander role for your Site. To do this for the RAH, click on the RAH Health Bronze Command tree.

The screenshot displays the SAHEMS Role Board interface. The top navigation bar includes the SAHEMS logo, a search bar, and user information for Shane Bolton. The left sidebar contains navigation options: My Stuff, People & Roles (highlighted), Role Board, Contact List, Incidents, Resources, Special Forms, and Help. The main content area is titled 'Role Board' and features a 'Role Tree' section. The Role Tree includes a search bar and buttons for 'Show Assigned Roles', 'Show All Networks', 'Expand all', and 'Collapse all'. The tree lists several commands: CALHN Health Silver Command, Health Silver Commander - CALHN, Glenside Health Bronze Command, HRH Health Bronze Command, RAH Health Bronze Command (highlighted with a red box), and TQEH Health Bronze Command. A red arrow points from the top right towards the RAH Health Bronze Command entry.

You will then see the RAH Bronze Commander appear, click on the RAH Bronze Commander

The screenshot displays the SAHEMS Role Board interface. The top navigation bar includes the SAHEMS logo, a menu icon, and buttons for '+ Form', '+ Activity', and a search icon. On the right, there are user profile icons and the name 'Shane Bolton'. Below the navigation bar, the left sidebar contains menu items: 'My Stuff', 'People & Roles' (highlighted in green), 'Role Board', 'Contact List', 'Incidents', 'Resources', 'Special Forms', and 'Help'. The main content area shows the breadcrumb 'Home > Role > Board' and the title 'Role Board' with a 'Back' button. Below the title is the 'Role Tree' section, which includes filters for 'Show Assigned Roles', 'Show All Networks', 'Expand all', 'Collapse all', and a search box. The role tree lists several commands: 'CALHN Health Silver Command', 'Health Silver Commander - CALHN', 'Glenside Health Bronze Command', 'HRH Health Bronze Command', 'RAH Health Bronze Command', 'RAH Bronze Commander' (highlighted with a red box and a red arrow), and 'TQEH Health Bronze Command'.

Once clicked on RAH Bronze Commander, then click on “Assign to myself”

The screenshot displays the SAHEMS Role Board interface. The top navigation bar includes the SAHEMS logo, a search icon, and user information for Shane Bolton. The left sidebar contains navigation options: My Stuff, People & Roles (highlighted), Role Board, Contact List, Incidents, Resources, Special Forms, and Help. The main content area shows the Role Board with a breadcrumb trail: Home > Role > Board. The Role Tree section lists several roles, with 'RAH Bronze Commander' selected and highlighted in blue. Below the role list, there are two buttons: 'Assign to user' and 'Assign to myself', with the latter button circled in red. A red arrow points from the text above to the 'Assign to myself' button.

You will now see that you have the role of “RAH Bronze Commander”

The screenshot displays the SAHEMS application interface. At the top, a dark grey header contains the logo 'SAHEMS', navigation icons for '+ Form' and '+ Activity', a search icon, and a user profile for 'Shane Bolton'. Below the header, a light grey navigation bar includes 'My Stuff', 'People & Roles' (highlighted in green), 'Role Board', and 'Contact List'. The main content area shows a breadcrumb trail 'Home > Role > Board' and the title 'Role Board'. A blue 'Back' button is located in the top right corner of the main area. A red rectangular box highlights the text 'Your Current Role: RAH Bronze Commander' in the top right corner of the main content area, next to a green status indicator '0' and the text 'Your Current Network: CALHN'.

COMPLETING A “HEAT RELATED ACTIVITY” ENTRY – 24 HOUR CYCLE

To complete a Heat related entry, click on “Form” and then “[Heat Related Activity](#)”

The screenshot displays the SAHEMS user interface. At the top, the header includes the SAHEMS logo, a search bar, and a user profile for Shane Bolton. A red box highlights the '+ Form' dropdown menu in the top navigation bar, with a red arrow pointing to it from the text above. The left sidebar contains a navigation menu with categories: My Stuff, People & Roles, Incidents, Resources, Special Forms (expanded), and Help. Under 'Special Forms', the following items are listed: Ambulance Casualty Movement Log, Health Capacity, Heat Related Activity, and Help. The main dashboard area is titled 'My Dashboard' and shows 'Showing incidents that relate to my role only'. It features five large tiles: 'My Incidents' (blue), 'My Forms' (teal), 'My Activities' (purple), 'My Notifications' (red), and 'My Pending Activities' (orange). Each tile displays a count of '0' and a 'VIEW MORE' button with a right-pointing arrow. Below these tiles are four smaller summary cards for 'My Incidents', 'My Forms', 'My Activities', and 'My Notifications', each showing 'No data yet'.

The “Instructions” header automatically opens in an expanded view.

The screenshot shows the SAHEMS web application interface. The top navigation bar includes the SAHEMS logo, a search icon, and user information for Shane Bolton. The left sidebar contains navigation options such as My Stuff, People & Roles, Incidents, Resources, Special Forms (highlighted), and Help. The main content area displays the 'Heat Related Activity Form - New Form' page. The 'Instructions' header is expanded, showing the following text:

The SA Health Heat Related Activity Form is to be completed and sent to System Performance DHA by 10.00am each day while the State Emergency Service (SES) Extreme Heat WARNING is in place. Health Units should not forward collated data directly to the SES or any other external agency/organisation.

1. OVERALL IMPACT DEFINITIONS
The following definitions should be used to determine the overall hospital impact.

Nil (<25% impact)
Business as Usual - This field is completed when there are normal outputs of day-to-day operations by an agency and the extreme heat event has no impact on capacity or service delivery.

Minimal (25 – 50% impact)
Some impact on normal day-to-day business activity but no additional resources required - This field is completed when it is identified as early as possible within an extreme heat event that normal outputs of day to day operations by an agency have started to have a slight impact on capacity or service delivery, however is still within normal resourcing capabilities and there is no risk of resources being exhausted.

Moderate (50 – 75% impact)
Increased impact on normal day-to-day business activity and increased resources are necessary - This field is completed when it is identified during an extreme heat event that outputs of day to day operations by an agency have started to have an impact on capacity or service delivery. This is where an agency has identified that their normal resource capacity is pressured but not exhausted.

Significant (> 75% impact) There is a significant impact on day-to-day business functions and/or resource capacity is at risk of being exhausted and strategies have been employed to cope with additional load - This field is completed when, due to an extreme heat event, day-to-day outputs of an agency are being adversely impacted. It is also most likely that resource capacity is at or near exhaustion and contingencies have been employed.

Read the requirements for completing the form and then click the arrow to close

The screenshot displays the SAHEMS user interface. At the top, the header includes the SAHEMS logo, navigation options for '+ Form' and '+ Activity', a search icon, and user information for 'Shane Bolton'. Below the header, the left sidebar lists various menu items: 'My Stuff', 'People & Roles', 'Incidents', 'Resources', 'Special Forms' (highlighted in green), 'Ambulance Casualty Movement Log', 'Health Capacity', and 'Heat Related Activity'. The main content area shows the breadcrumb 'Home > Heat Related Activity' and the title 'Heat Related Activity Form - New Form' with a 'Back' button. A grey box labeled 'Instructions' is highlighted with a red border, and a red arrow points to a small upward-pointing arrow icon in its top right corner. Below the instructions, the form title 'Heat Related Activity Form' is visible.

You will need to;

- Select which site you are completing the entry for;

Heat Related Activity Form

1 Info 2 Notify

Owner * RAH Bronze Commander (Shane Bolton)

Request Date / Time * 02/12/2015 08:00 - Functional Service Liaison Officer (FSLO) - Health and Medical - shane.bolton@health.sa

Site * - Select -

The image shows a web form titled "Heat Related Activity Form". It has two tabs: "1 Info" (active) and "2 Notify". The form contains three fields: "Owner *" with a value of "RAH Bronze Commander (Shane Bolton)", "Request Date / Time *" with a value of "02/12/2015 08:00 - Functional Service Liaison Officer (FSLO) - Health and Medical - shane.bolton@health.sa", and "Site *" with a value of "- Select -". A red arrow points from the text above to the "Site" field, which is also enclosed in a red rounded rectangle.

Complete the qualitative (overall impact) and the quantitative (measured operational impact) data, in accordance with the instructions, and click “Next” when finished

Cancel and Delete Save as Draft Next ↗ ↶

Click “Submit” when completed – you may wish to “Inform” your LHN Silver Commander (subject to local plans and arrangements)

The screenshot shows the SAHEMS interface for creating a new Heat Related Activity Form. The left sidebar contains navigation options such as Health Dashboard, My Stuff, People & Roles, Incidents, Resources, Reports, Special Forms Maintenance, Health Capacity, Heat Related Activity, Users & Groups, Audit, Setup, and Help. The main content area is titled 'Heat Related Activity Form - New Form' and includes an 'Instructions' section. A progress bar shows two steps: '1 Info' and '2 Notify'. Below the progress bar are three buttons: 'Don't Notify All', 'Inform All', and 'Inform & Request Acknowledgement All'. A table lists the 'CALHN Health Silver Command' with a sub-row for 'CALHN Health Silver Commander (Shane Bolton)'. This sub-row has three buttons: 'Don't notify', 'Inform', and 'Ack'. The 'Inform' button is highlighted with a red box. At the bottom right, there are four buttons: 'Back', 'Cancel and Delete', 'Save as Draft', and 'Submit'.

Your Heat Related Activity will then appear on a table (as below)

In the top right corner of the form, there are two buttons: **PDF** and **Back**, which are highlighted by a red circle. A **Close** button is located in the bottom right corner of the form.

LOGGING OUT OF A ROLE

Once you have completed your Heat Activity report, you will need to log out of the Bronze Commander role (unless you are the scheduled Bronze Commander for your site), by clicking on the top right corner.

The screenshot displays the SAHEMS dashboard interface. The top navigation bar includes the SAHEMS logo, a menu icon, and dropdowns for 'Form' and 'Activity'. On the right side of the top bar, there is a user profile section with the email 'shane.bolton@health.sa.gov.au', a 'My Profile' link, and a 'Log Out' button. A red arrow points from the text above to the 'Log Out' button, which is also enclosed in a red rectangular box. Below the top bar, a left-hand navigation menu lists various sections such as 'My Stuff', 'My Dashboard', 'My Incidents', 'My Forms', 'My Activities', 'My Notifications', 'My Pending Activities', 'My Activity Logs', 'My Sent High Priority Notifications', 'My Drafts', 'People & Roles', 'Incidents', 'Resources', 'Reports', 'Special Forms Maintenance', 'Users & Groups', 'Audit', 'Setup', and 'Help'. The main content area is titled 'My Dashboard' and shows 'Showing incidents that relate to my role only'. It features five summary cards: 'My Incidents' (0), 'My Forms' (0), 'My Activities' (0), 'My Pending Activities' (0), and 'My Notifications' (5). Below these cards are four data panels: 'My Incidents', 'My Forms', 'My Activities', and 'My Notifications'. The first three panels show 'No data yet', while the 'My Notifications' panel displays a list of five notification items with timestamps. At the bottom of each data panel is a 'View My [Category]' button.

Once at this screen, you can click on the “Unassign my role & logout” button to unassign you from your role and leave SAHEMS.

NOTES

- Health Gold Command will set the Heat Related Activity request that is required to be submitted, this will be scheduled for completion/submission by Health Services / sites by 0900, (data to be closed off as at 0800). This allows the site / health service 1 hour to collate and complete the Heat Related Activity form for their site in SAHEMS.
- There will only ever be 1 (current) request in the system for Health Services to complete.
- Health Gold Command will compile a whole of Agency report and submit to the State Emergency Service and Health Media and Communications by 1000 each day during an Extreme Heat Warning event.
- Any questions or queries about Heat Related Activity reporting, please contact your LHN Emergency Management Coordinator in the first instance or the DHA Emergency Management Unit, 8226 7115 or emergencymanagement@sa.gov.au.
